

LA AMISTAD

LaAmistad Afterschool

Across twelve locations throughout metro Atlanta, with an online option, LaAmistad Afterschool operates with a pair of important goals in mind. First, Afterschool increases positive academic outcomes for under-resourced Latino students. Second, LaAmistad Afterschool seeks to instill students with virtues, convictions, study habits, & life skills that will serve them well throughout their academic careers & beyond.

Students receive one-on-one tutoring, homework assistance, & monthly skills assessments to track their educational progress. After homework, students work to sharpen their reading, writing, and math skills using technology, educational games, and flashcards. Keeping with LaAmistad's holistic approach to education, students also participate in physical play and receive a healthy on-site snack. Class sizes are small to maintain individualized tutoring, a staple of LaAmistad Afterschool.
